C.D.D. Circular No.248/42.

Subject:- Supply of food to Civilian Refugees and Evacuees.

Sir,

It is understood that cases have arisen in which Army authorities in the Eastern Army area have been presented with demands for the supply of rations for refugees and evacuees. As the Provincial Government will readily realise, the Army authorities cannot be held responsible for providing civilian personnel with food supplies. They have made no provision for any such requirements and no supply can be made from military stocks without grave danger to the supply of troops. I am, therefore, desired to invite the special attention of the Provincial Government to this matter and to request that necessary steps may be taken so to organise the feeding of civilian refugees and evacuees that the Army authorities are not in any way embarrassed by requests for supply from military stocks.

2. I am to add, in order to remove any possible misapprehension, that the Central Government are not making any complaint of any particular action taken by any particular officer in the cases referred to, as the Government of India are not aware (and have had no time to make enquiry) of the sources from which these

demands.....

demands were received or the circumstances in which they were made.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Secretary to the Government of India.
